

## Extensive Facilities to Handle Even the Most Demanding Fabrication Projects:

### Engineering & NetworkCNC Machine Tools:

Striker - AutoCad - Metalsoft - Solidworks

42" HP Color Design Jet 800 Plotter

#### Laser Cutting

Mazak Turbo X 510: 2500 watt, 5ft x 10ft table envelope

#### Punching

Amada Pega CNC Turret Punch Press

WA Whitney 55 ton single station punch

#### Rolling Services

R4 Large Roundo 3.5" x 3.5" Angle & Shape Bending Rolls

R3 Roundo Roll 3" x 3" capacity

Baileigh M250 CNC Tube Rolling: Automatic hand roll former

Pexto Sheet Rolling

#### Press Brake Forming

Ermak 12ft x 200 ton CNC Press Brake with auto crowning

Guifull 10ft x 110 ton CNC Press Brake

Amada 6.5ft x 50 ton CNC Press Brake

#### Welding

Miller Syncrowave 300 amp welder

Miller Syncrowave 350 amp LX welder

Miller Dynasty 300 amp DJ welders

Miller CP-302 MIG welder

Lynx stud welding

Miller 30 amp aluminum MIG

#### Spotwelding

Tecna TE90 Mark II spot welders

#### Hardware Installer

PemSerter PS-4 for all pem hardware installations

#### Sawing

Scotchman 14" cold saws

#### Sanding/Polishing

Timesaver sheet graining & deburring

Stroke Sanding

3"-7" die grinders & buffing

Baldor polishing equipment

#### Laminating

ItalPresse XL/6 Heat Press 51" x 118" CNC-controlled

#### Drilling/Milling

Bridgeports & miscellaneous drilling equipment
